ACF proud voice for the 35 000 Asian caterers in UK

The Asian Catering Federation Uniting the Asian Food Industry

The ACF will strive to deliver real returns for our members within the Asian catering industry, help them to find financial success, achieve excellence, and build customer loyalty.

For the Asian food industry, we aim to unite Asian caterers on one platform; campaign for greater recognition; achieve members' common goals through partnerships with government and other organisations; provide help with training, and create rewarding careers in Asian catering.
